

SHOULD

We use should in two categories

Advice

**Mild
Obligation**

+

S + should + V

You should
eat healthy

-

S+ shouldn't + V

You shouldn't
smoke

Should not =
shouldn't

?

Should+S+V?

Should I go?

GIVING ADVICE

We use **should** to ask and give advice

I feel sick.

You **should** see
a doctor..

MILD OBLIGATIONS

Should expresses an obligation that is not as strong as *Must*

I should study for the test.

I should finish my homework.

OUGHT TO

We can use ought to instead of should

**You ought to
sleep.**

**You ought not to
smoke.**

PRACTICE

**I want to lose weight.
What should I do?**

You **shouldn't eat
fast food.**

You **should
work out.**

PRACTICE II

Suppose that I am tourist visiting your city. Give me some advice.

**Where should I
go?**

**What should I
do?**

Exercises

1. You _____ leave the back door open. It is not safe.
2. The students _____ complete their homework till noon.
3. What _____ we do to be healthy?
